Is God Hearing Your Voice?

How often does God hear our voice? Is talking to Him as natural to you as talking to others? Scripture tells us that we can confidently approach God, tell Him what is on our hearts, and ask Him to get involved in the details of our lives. Scripture also teaches that we need to come to Him worshipfully, humbly, and thankfully, trusting that He will do what is best. What are you talking with the Father about today?

This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears us--whatever we ask--we know that we have what we asked of Him.--1 John 5:14-15
