

TIME AWAY CARD

WE HOPE YOUR TIME AWAY CARD WILL NOT HAVE TO BE USED!

Time Away Cards allow participants to attend Disciple Now who have outside commitments which are mandatory.

Time Away Cards are enclosed in the Parent Envelope.

This would be something like:

- Activities at school that are required
- A work schedule that cannot be changed
- Important family obligations that are necessary
- Any activity that requires your teenager's participation

An example of an inappropriate activity would be a party or some other event that does not require their attendance. We do not want to be harsh or unbending, but we want to stress the importance of Disciple Now and the value that is gained by participating in as much of the weekend as possible.

Remember, there will be several other Students, a Guest Leader, Co-Leader, and Host Family who will be counting on you to help make Disciple Now a great experience.

Special Request: If your teenager has to be gone beyond 11:30 pm on Friday we ask that they not return to their Family Group until 9:00 a.m. (Saturday) or if they are gone beyond 11:30 pm Saturday night that they plan to meet their group at the church at 10:30 am on Sunday in the Loft.

IMPORTANT – If you must miss two-thirds of the group time, we suggest that you cancel and receive a full refund. This weekend may not be a good experience for you or your group if you have to miss a significant amount of the weekend.

REMEMBER - All Time Away Cards are due on or before the Banquet, Feb 2. You may bring them by the Youth Ministry Office or give them to Terry, Randy, Sam, or Dara.
